Amendment of the Vocational Training Act

Effects for vocational and educational training committees and examination boards

Novellierung des Berufsbildungsgesetzes

Auswirkungen auf Berufsbildungs- und Prüfungsausschüsse

Berufsbildung in Wissenschaft und Praxis - BWP 34 (2005) 5, p. 47

The amended Vocational Training Act, which came into force on 1 April 2005, has brought about drastic changes in some points concerning the regulations of educational training committees and examination boards. The following demonstrates what the effects and implications for the work of the members of these committees will be. One aspect of this process to be borne in mind is that some changes come into effect directly as the Act comes into force, whereas others require implementation on the part of the regulator.
