International agreements
Relevant legislation Regulations governing the recognized further training examination for certified diver of 25 February 2000 (Federal Law Gazette part I p. 165)	

6. OFFICIALLY RECOGNIZED WAYS OF ACQUIRING THE CERTIFICATE
The certificate is acquired by passing the examination administered by the body mentioned in section 5 above. Before sitting the examination, candidates must furnish proof of 1. The successful completion of training for a recognized occupation, followed by at least two years of relevant practical experience or 2. At least six years of relevant practical work, or 3. Relevant skills and competences Furthermore, they must provide proof of having earned the German Lifesaving Award Bronze of the DLRG or a comparable qualification. A valid certificate to prove the candidate's fitness to dive must also be provided.
Additional information The skills and competences of which proof is to be furnished in the further training examination are usually acquired during many years of practical work and within the framework of education measures. Courses are offered in preparation for the examination; their duration and content are geared to the different specialist and managerial tasks. Translations of the certificate can be obtained from the body mentioned in section 5 above.

()Note**

Simplified grading scale; for official grading scale see Sixth Ordinance Amending Further Training Examination Regulations of 9 December 2019 (Federal Law Gazette Part I, p. 2153)
