6. OFFICIALLY RECOGNIZED WAYS OF ACQUIRING THE CERTIFICATE

The certificate is acquired through passing the examination administered by the body mentioned in section 5 above. Before sitting the examination, candidates must furnish proof of

1. Successful completion of training in a recognized commercial occupation in the freight transport and logistics sector, followed by at least one year of relevant practical work or
2. Successful completion of a three-year course of training in another recognized commercial or administrative occupation, followed by at least two years of relevant practical work or
3. At least five years of relevant practical work or
4. Relevant skills and competences.

Additional information

The skills and competences of which proof is to be furnished in the further training examination are usually acquired during many years of practical work and within the framework of education measures. Courses are offered in preparation for the examination; their duration and content are geared to the different specialist and managerial tasks.

Translations of the certificate can be obtained from the body mentioned in section 5 above.
