Certified industrial supervisor specializing in insulation (thermal, acoustic and fire
insulation)**

This translation has no legal status.

3. PROFILE OF SKILLS AND COMPETENCES

- Cooperate in the planning and installation of operating resources; monitor operating resources in view of quality standards and errors; arrange for the maintenance and upgrading of operating resources
- Assign tasks to members of staff according to their qualifications, efficiency and suitability and taking into account technical, economic and social aspects; conduct job familiarization and instruction of staff; work to develop good team relations with staff members; communicate staff suggestions and concerns including own assessment thereof; cooperate with management and the works council; vocational training for staff
- Oversee costs and performance; ensure the execution of quantity and quality control of incoming and outgoing products; steer material and production flows to guarantee error-free and timely work; work to ensure smooth, constructive cooperation within the company; cooperate with other departments in the company
- Conduct the necessary measures of workplace safety and health, accident prevention and environmental protection in cooperation with the company departments and persons responsible for occupational safety and environmental protection

4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THE CERTIFICATE

Certified industrial supervisors specializing in insulation (thermal, acoustic and fire insulation) work as senior-level staff in construction and expansion companies and in civil engineering, well building and sewage plant construction firms in the public and private sector. They are responsible for solving complex planning, managerial, organizational and supervisory tasks independently, using instruments of operations control and human resources management. They plan and coordinate work processes, monitor and optimize production processes, instruct staff and are responsible for company-based training.

(*) Explanatory notes

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.

More information on transparency is available at: www.cedefop.eu.int/transparency
