Notification of deletion*

I hereby confirm that the data specified below which was made available to the data recipient by the Research Data Centre at BIBB for the specified project, was securely and completely deleted from all computers, servers, data carriers in accordance with the user agreement at the end of the contract duration.

All backup copies, dump files and auxiliary files from these files as well as data generated due to further processing were deleted accordingly. I similarly confirm this procedure for all persons specified in the agreement.

If backup copies cannot be destroyed for technical or organisational reasons, I hereby affirm that restoring of the data is ruled out at all times.
