

Erasmus+ project 15/12/2018-14/12/2020

Joint VET Course for Export Experts ExpoVET

Co-funded by the
Erasmus+ Programme
of the European Union

AIMS

The project aims at developing a further training qualification at higher qualification level (EQF 6) in the field of international commerce for university graduates and unemployed individuals and strengthening the transnational networking between High Education Institutes, Vocational Training Providers at tertiary level and labor market. The qualification would be offered by universities or training institutes affiliated to universities. The specific aims of the project are:

- Develop a joint higher VET Course on issues concerning business internationalization.
- Strengthen the project-based transnational collaboration between SMEs & VET providers at tertiary level.
- Improve and validate transversal entrepreneurial and communication competences of the students.
- Use work-based learning (traineeship) & mobility components.

MAIN ACTIVITIES

Activity 1:

Joint qualification in VET

Activity 2:

Sustainable cooperation structures

MAIN RESULTS

- A joint qualification profile in the field of international commerce expert at EQF level 6
- A joint curriculum in the field of international commerce offered by three universities / training institutes affiliated to these universities (VET Providers at Tertiary level).
- Assessment standards
- Joint sustainable cooperation structure to ensure transparency, comparability of the relevant qualifications
- Mutual quality assurance & recognition procedures

EXPECTED IMPACT

- Strengthen the links between Tertiary Education/ Vet Institutions, SMEs and human capital
- Up-skilling and multi-skilling the targeted groups by providing skills and knowledge matching based on International Commerce/Business Internalization
- Facilitate SMEs to take advantage of the internationalization profits, through international commerce
- Achieve better matching of the specific skills' needs with labor market needs in the countries/ regions participating in the partnership.
- Increase employability of VET learners and improve VET attractiveness.
