

## Citation of the BIBB Establishment Panel on Training and Competence Development 2011 to 2019 long

All works which use or refer to the data should acknowledge these sources by means of bibliographic citation. To ensure that these sources are captured for bibliographic indexes, citations must appear in footnotes or in the reference section of publications. In addition, users might refer to the particular BIBB-FDZ Daten- und Methodenbericht (Data and Methodological Report = Data manual) as a source where data are documented and described.
