

FLEXIBLE, INCLUSIVE, EXCELLENT TVET

FUTURE-PROOFING TVET SYSTEMS

modern,
attractive,
practical!

Digital + green transition

mastering and accelerating
transformation through TVET,
given demographic developments
and changes in interests and aspirations of the young

↑ numbers in university

↓ number of apprentices

EQUIVALENCE

the value of TVET
validation

the power of
informal learning

EXPAND

in a more diverse, colourful
world; more varied learning needs
meeting people where they
are, with carefully-thought paths
→ entry and transitions

COMPETITIVE

relevant to the
energy transition?

Piloting concepts
in regions of highest demand

STRENGTHEN FOUNDATIONS

laying groundwork,
preparing the field

- opportunities, and linkages
- youth employment
- job creators, not just job seekers

continental
guidelines,
national and institutional
strategies,
tools, modules

STRENGTHEN PARTNERSHIPS

synergise activities,
share experiences
staying relevant
together

CATALYSE ACTION

at member state level
- initiatives, programmes, pilots
- data, evidence-based
- communities of practice

CREATE SPECIFIC EXAMPLES,

to make what
we say, believable

Eg. more env-friendly travel

Eg. growing in skill and qualification in F&B - kitchen and entrepreneurial

TESTAMONIALS

from parents, not
just students - attractiveness
of TVET careers

SMALLER STEPS

to help reduce people's
hesitation towards
formal learning

- measurement methods
- implementation

RPL

- certifying ability and experiences → building capacity for recognition

CONNECTION WITH INDUSTRY

- (i) domestic (ii) regional (iii) global

ACQUIRING DIGITAL SKILLS

- ① Basic literacy, proficiency
- ② Working with AI

Culture of learning

international visibility

attractive learning concepts, paths, hubs; mentoring

individual learning opportunities

BEING CLIMATE-NEUTRAL

Qualified labour with
right competencies?
reach those with no
prior formal qualifications?

MIGRATION

Population + workforce
How do we reach
young people?

Preparing
people well for
the world of work:

EMERGING NEEDS

eg. env and social governance;
and network design

What seeds do we let be sown?

EQUIP

- structured internships

UPSKILL + RESKILL

Lifelong learning

INTERNATIONAL COOPERATION
