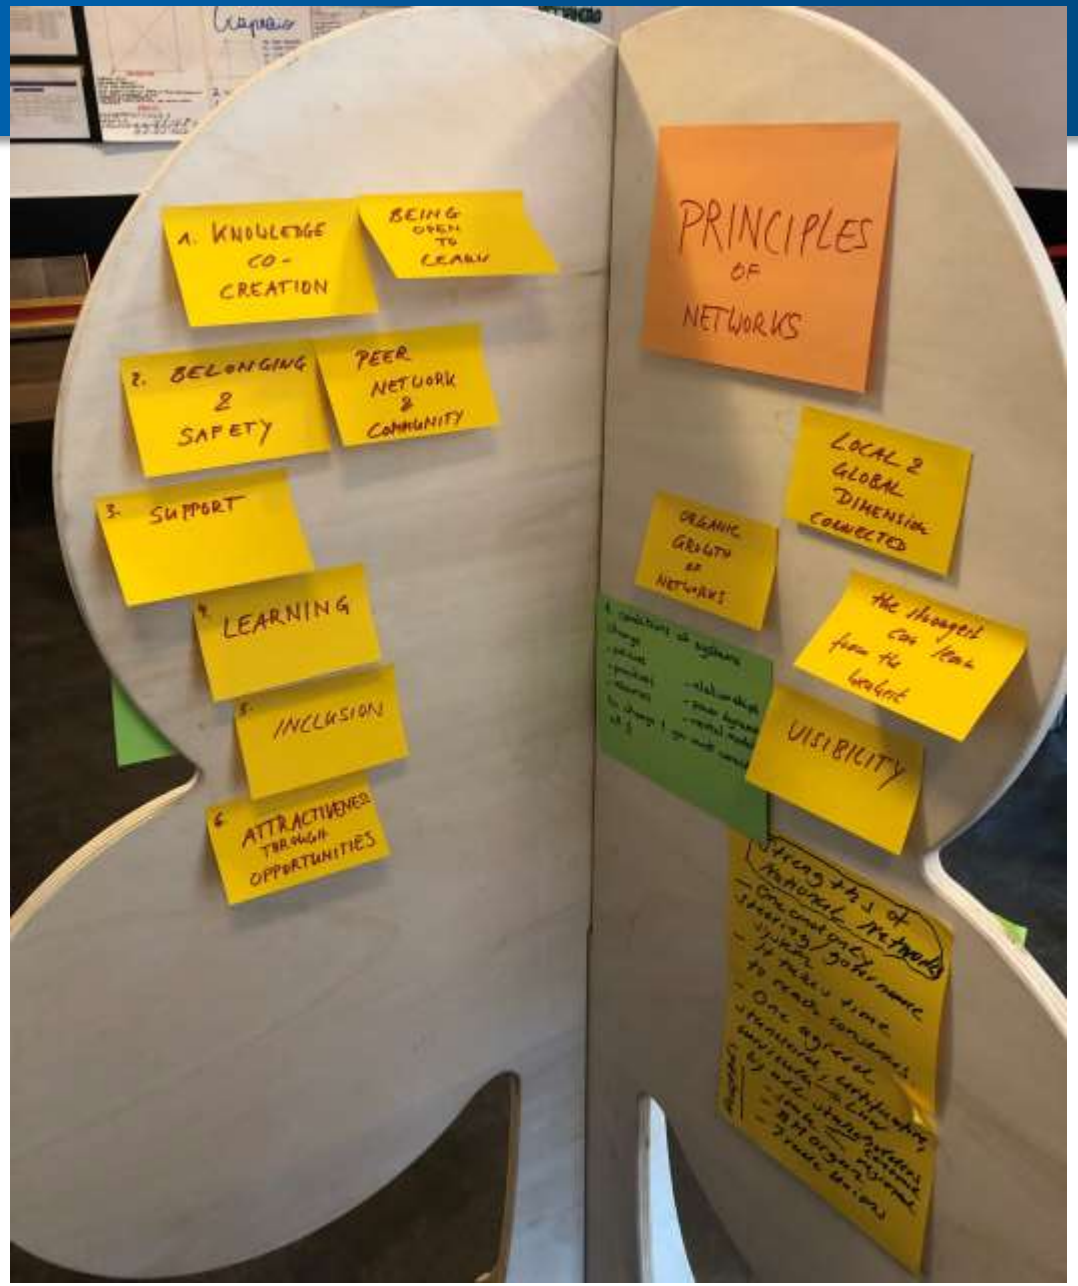
Principles of Networks

1. **Knowledge Co-creation (as paradigm shift)**
2. **Sense of Belonging and Safety**
3. **Mutual Support**
4. **Peer Learning**
5. **Inclusion (within networks)**
6. **Attractiveness through Opportunities (and visibility)**



Roundtable 2: Guiding Questions

- What are the strengths of and successful measures taken by **local, national, or regional TVET stakeholder networks** to support learners along their 'TVET journey'
- In particular, which role do **Centres of Vocational Excellence (CoVEs)** take in promoting inclusive excellence?
- What are the benefits of engaging in **international networks** of TVET stakeholders to advance inclusive excellence?
